RESPONSE

Sir:

This is in response to the Office Action dated April 19, 2005 and having a shortened statutory period for reply set to expire on July 19, 2005. Applicants submit the following response in the above-identified application. Applicants believe this response places the application in better condition for allowance.

In the Office Action, the Examiner states that Claims 1 and 3 are pending and Claims 1 and 3 are rejected. The claims are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over the Applicants' prior U.S. Patent Nos. 5,763,356 and 6,364,943. To overcome these rejections, the Applicants herewith file a terminal disclaimer.
